Join us On Sundays for
Sunday School at 9:15am
Worship at 10:45am

Dear Buck Run Family:

What a joy to worship together as a family last Sunday and to see the Lord add to His church. Each of those who joined Sunday are a special display of God's grace and will be integral to the life of our church. I particularly want to acquaint you with Dave and Debbie Parks whom I have known all my life. They have just finished a 35-year pastorate at the Thompson Road Baptist Church in Lexington and have felt led to unite with Buck Run. With his years of experience in the pastorate and based on my personal knowledge of and deep respect for him, I have asked Bro. Parks to serve as a lay member of our pastoral staff. Their arrival certainly comes at an auspicious moment with the transition of so many of our pastors to other assignments from the Lord. God is so faithful to provide for us and give us exactly what we need.

One of the things we need most is to SERVE. This Saturday is another of our Serve Frankfort opportunities with tasks of all types and suited to all different age groups and levels of fitness. I hope you will go to our website right now and register for one of our tasks. I never want us to be an inward focused church, but nothing risks that danger quite like building a new worship center. I have done my best all along to lead us to stay focused on the lost. The day we moved into our new building we announced our church plant in Ft. Collins, Colorado and that we were sending our very best. Since then other families and students have caught that vision. We've had strong evangelistic efforts and have baptized more in these past months than ever before. Our previous Serve Frankfort efforts have been fantastic, but let's just admit that we easily slip into lethargy and apathy. Don't grow weary in doing well!!! Make these service efforts a regular part of your life. Please, come out this Saturday and love on our city for the gospel's sake.

Also, this weekend we have been asked to supply workers to serve meals at Cedarmore in Bagdad, KY, about a 20-30 minute drive from Frankfort. Cedarmore is a ministry of Crossings, a Kentucky Baptist agency that we support through the Cooperative Program. Many of those who work at Cedarmore attend or are members of Buck Run. They have blessed us in many ways, and this is a way that we can return the love and the service. Again, just call the church office and ask when and how you can serve. We really need you!

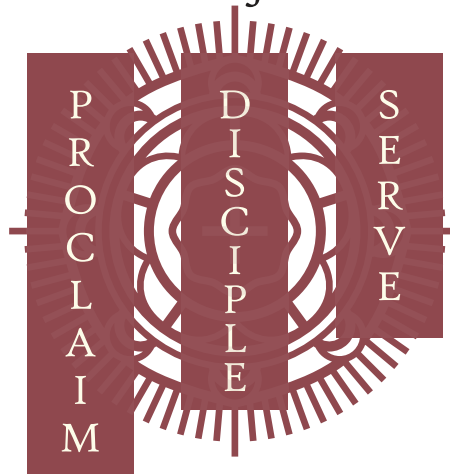

Finally, you are in for a real treat on August 6. Dr. Don Whitney, one of my colleagues at Southern Seminary and a renowned expert on spiritual disciplines is going to be at Buck Run during the Sunday School hour at 9:15 to do a spotlight on prayer. I don't know any Christian who is genuinely satisfied with his or her prayer life, but Dr. Whitney's approach to it will bless you and encourage you with a warm and vibrant handle to help you avail yourself of the riches God has for you in prayer.

I love you, my precious church family. Let us trust God that He will always deal with us in grace, but let us pray as though His work among us depended on our fervency and commitment. This is the Lord's church and He will be glorified!

Your grateful pastor,

Bro. Hershael
